

Bench Dedication Agreement

As part of its fundraising activities and park development opportunities, Wakamow Valley offers a bench dedication program. The program allows interested parties to dedicate a bench to the person of their choice.

This agreement confirms that:

1. The cost of the program is \$1000.00 per bench for five years or \$2500.00 for 25 years. A charitable tax receipt will be issued for the full amount.
2. Donors have the opportunity to dedicate the bench for an additional five year period if they so desire for \$500.00.
3. Following the dedication period, if the donor does not wish to renew the agreement, the plaque will be removed from the bench and returned to the donor.
4. Benches are identified by a two inch by nine inch bronze plaque with raised edges. Wakamow Valley Authority will order the plaques to ensure conformity. Plaques may be inscribed with a personal message. Final approval on plaque wording will be given by Wakamow Valley Authority.
5. The program is extended to existing and proposed benches. Proposed bench sites will be determined by Wakamow Valley Authority.
6. Only one plaque per bench is permitted.
7. Bench timbers will be planed upon dedication and routed to allow for the plaque to be placed in the centre of the top timber on the back rest. Other routine maintenance will be done within the confines of Wakamow Valley Authority's budget.
8. Wakamow Valley Authority respectfully request that donors do not adorn the benches.
9. Wakamow Valley Authority will be responsible for the replacement of one missing plaque during the course of the dedication period. Such plaques may take up to 16 weeks for production and shipping.
10. Participants in the bench program will also be listed on the main donor cairn at Plaxton's Lake as Wakamow Valley supporters. This cairn is updated every two years.
